OUR SEPTEMBER SPEAKER will be:
Erica Bonavida is a realist painter who creates intricate still-life's of fabric, working in oil paint on canvas. Born and raised in Oklahoma, she did not begin painting until she was a senior in high school. In 2014 she completed her bachelors in fine art at the University of Central Oklahoma. In 2019 Erica was accepted as the first Artist in Residence for the city of Oklahoma City. She divides her time between her studio at City Hall and her home studio in Edmond, Oklahoma where she resides with her husband and three children.

NEWS:

We will be having elections for officers and board members very soon.

Please consider a position on the board. Most board meetings are done by text, so they take very little time from your busy schedule. Most positions require very little time commitment also. We will take nominations from the floor at the September meeting for President, Newsletter Chair & Programs Chair.
