EAA's January speaker will be: Claire Holloway

Claire Holloway is an emerging wildlife artist studying at the University of Oklahoma's School of Visual Art as well as the Oklahoma Academy of Classical Art.

Since Claire is fascinated with the emotions, grace and power of animals, her paintings revolve around the stories of wild species. Particularly, how humans and animals interact.

She is an assistant teacher at the Oklahoma Academy of Classical Art. In addition to wildlife, she is a pet portrait artist and creates portraits year-round.

Claire will be giving a demo on wildlife painting at the meeting.
