The April meeting for EAA will be held at the Edmond Fine Arts Institute, 27 E. Edwards, Edmond, in their courtyard, next Monday/April 26th.

Kelly Pennington, Oklahoma Landscape Painter will demo the outdoor process of Oil Painting in the Edmond fine Art Institute's courtyard, weather and lighting permitting. Come early with a comfy lawn chair to experience plein air painting - in the outdoors. If the weather does not cooperate, we will meet indoors in the regular auditorium.

Kelly's motivation is nature and the energy she feels among the colors while capturing abstract shapes in the landscape using oil paints. Studying nature and drawing from life has always been her best teacher. She is committed as an artist, painter and observer of life.

Having dedicated 17 years of her life teaching K-12 arts education in Oklahoma Public Schools, she is now working as a full-time artist, out of her art studio in Ada, Ok.

Please join us on April 26th to see and enjoy plein air painting demo by Kelly Pennington. For more information on Kelly's work - check out:
